The screenshot shows the 'EXPRESS-ONLINE' website with the tagline 'Créateur de fluidité'. The top navigation bar includes a 'SIGN IN' button. Below the navigation bar is a progress indicator with five steps: 0 Country, 1 Terms and conditions, 2 My company, 3 My vehicles, 4 My drivers, and 5 My documents. The main content area is titled 'GENERAL TERMS AND CONDITIONS OF USE EXPRESS CARRIERS' and 'EXPRESS-ONLINE SERVICE FOR DIRECT CONTACT BETWEEN EXPRESS SHIPPERS AND EXPRESS CARRIERS'. It includes a section for 'Express carrier' with a checkbox for 'I certify that my main activity is the transport of goods for third parties.' and a paragraph stating 'I am aware that failure to comply with the provisions of the general terms and conditions of access to the Express-Online direct contact service will result in immediate termination of my membership.' and 'I undertake to use the www.express-online.com website in accordance with its purpose.' Below this is a section titled 'CHARTERS / CARRIERS GCU' with two columns. The left column is for 'Express freight forwarder' and the right column is for 'Express carrier'. Both columns contain similar text regarding certification, awareness of terms, and commitment to the website. At the bottom, there is a 'Definitions' section with 'T&Cs' and 'Transporter company profile' and 'Freight Forwarder company profile'.
